

VoIP Geographic Number Porting

You will need the following documentation to port:

1. The current providers invoice with the number/s that needs to be ported indicated. Not older than 3 months.
2. Client Letter/Letterhead giving authorisation to port the number - please find a sample on PAGE 3. Please copy and paste in MS Word, make the changes, and then save as pdf. Don't forget to insert your company letterhead at the top of the page.
3. A Copy of the client/director's ID document. (Not Certified accepted)
4. GNP Pre-install document – please find this document on PAGE 2 below. Please complete. Most of the info can be found on your current providers invoice/statement.

Please complete them, sign them and then scan and send via [email](#) or upload via the [order form](#) on our [VoIP Packages Page](#).
